

THIS OR THAT?

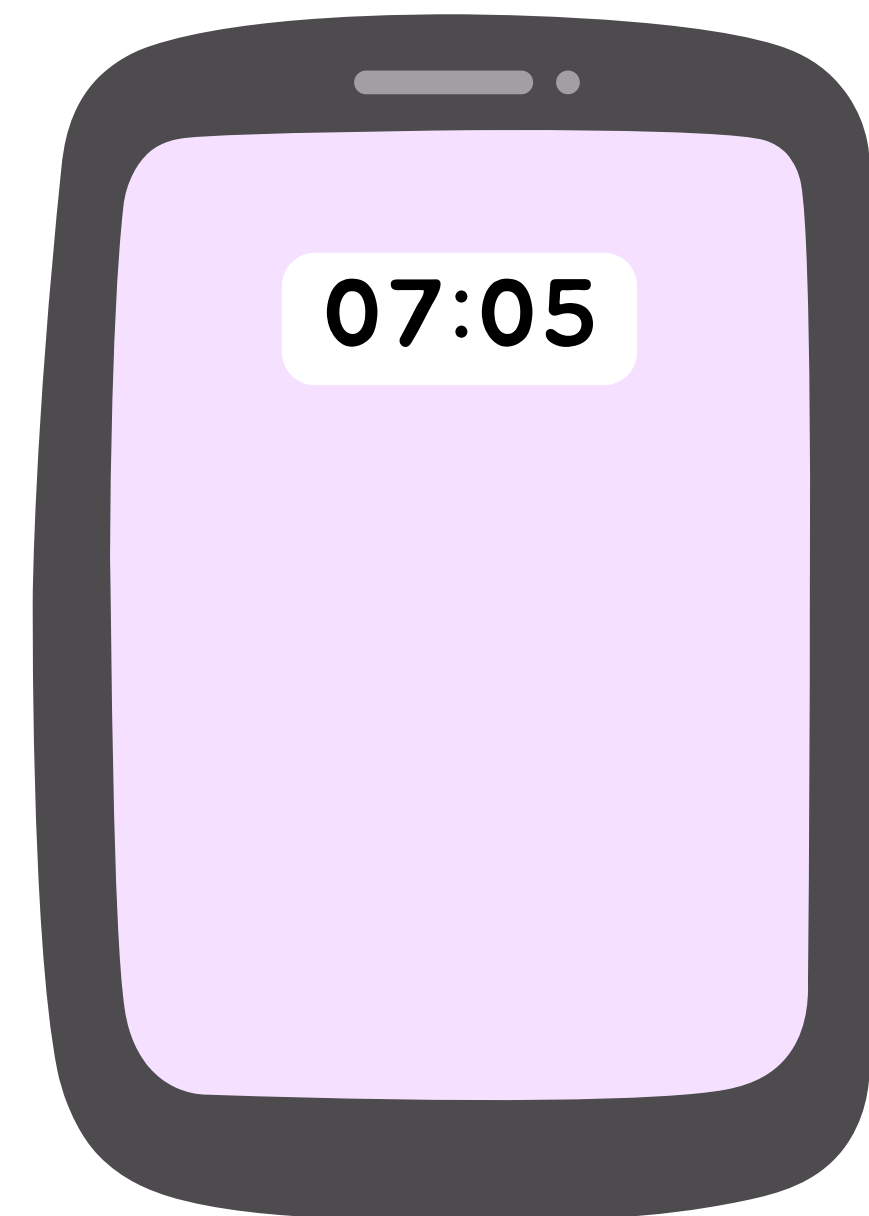

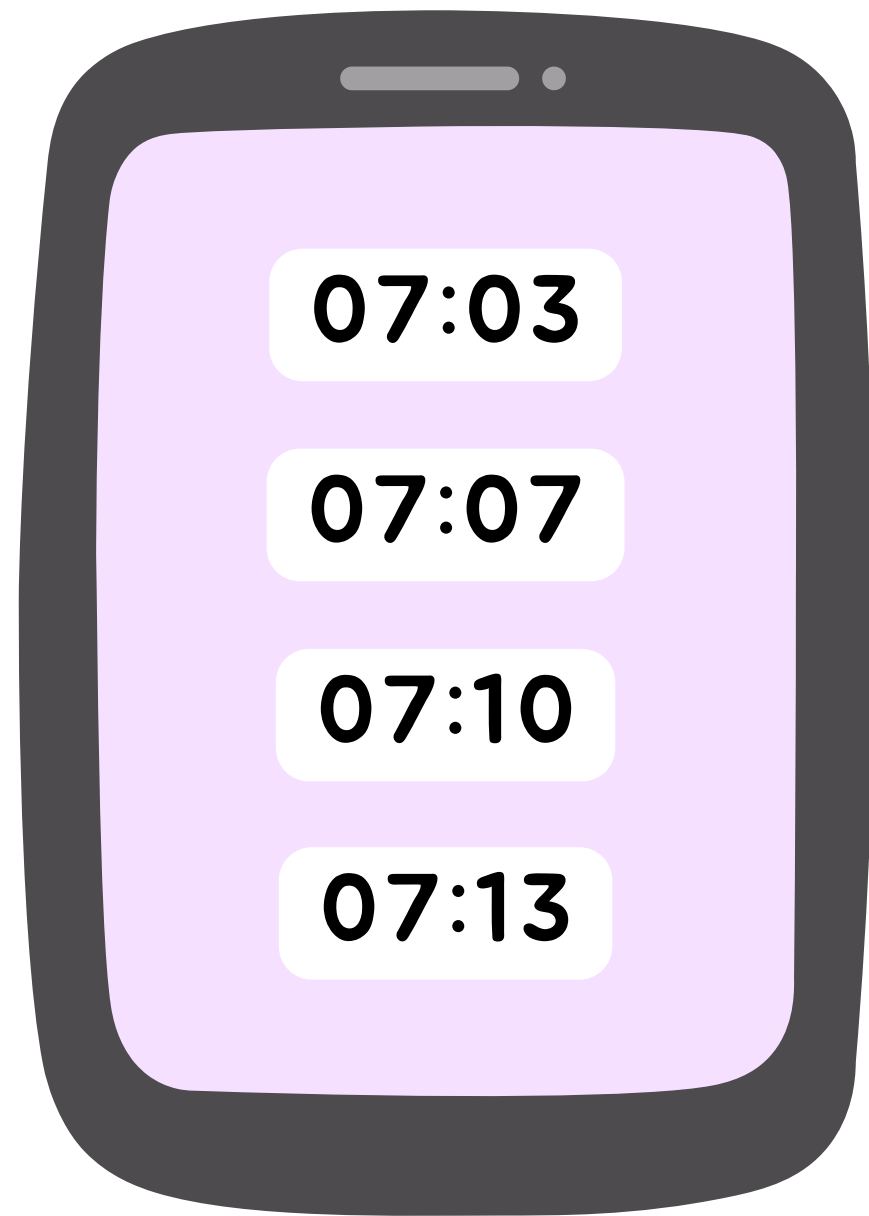

There are two kinds of people... Which one are you?

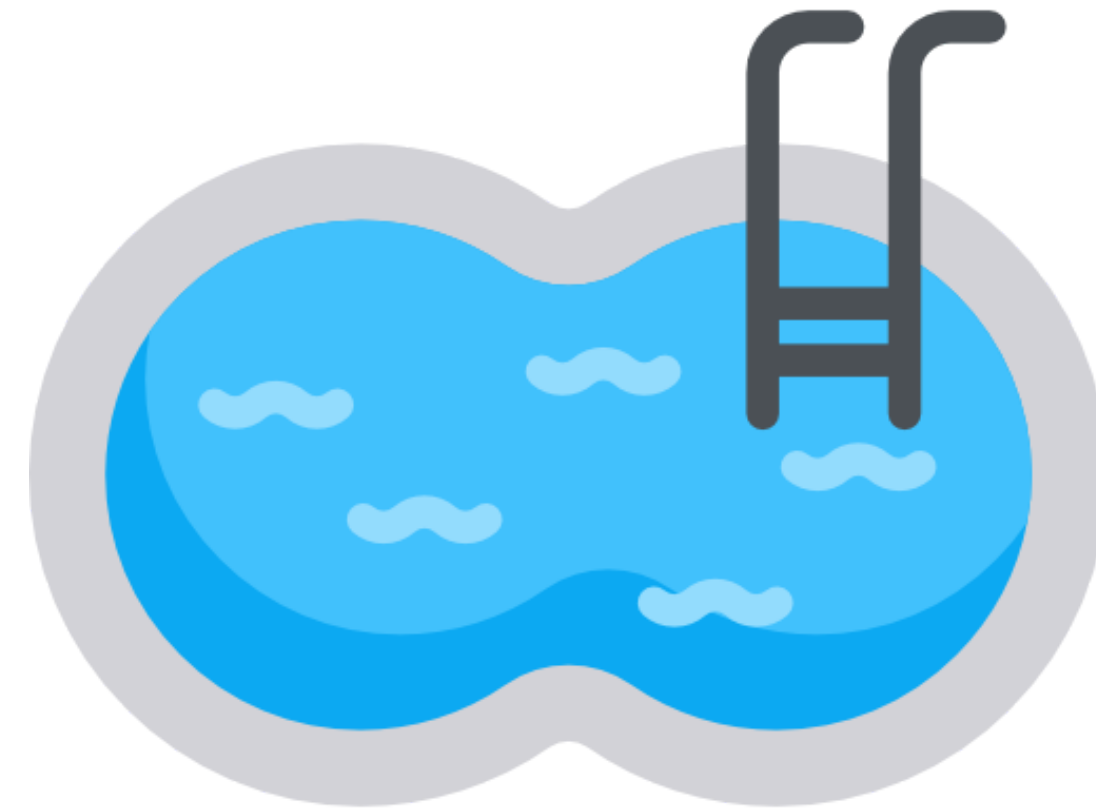

Let's get to know each other a little bit, shall we?

Is ice cream better in a cup or in a cone?

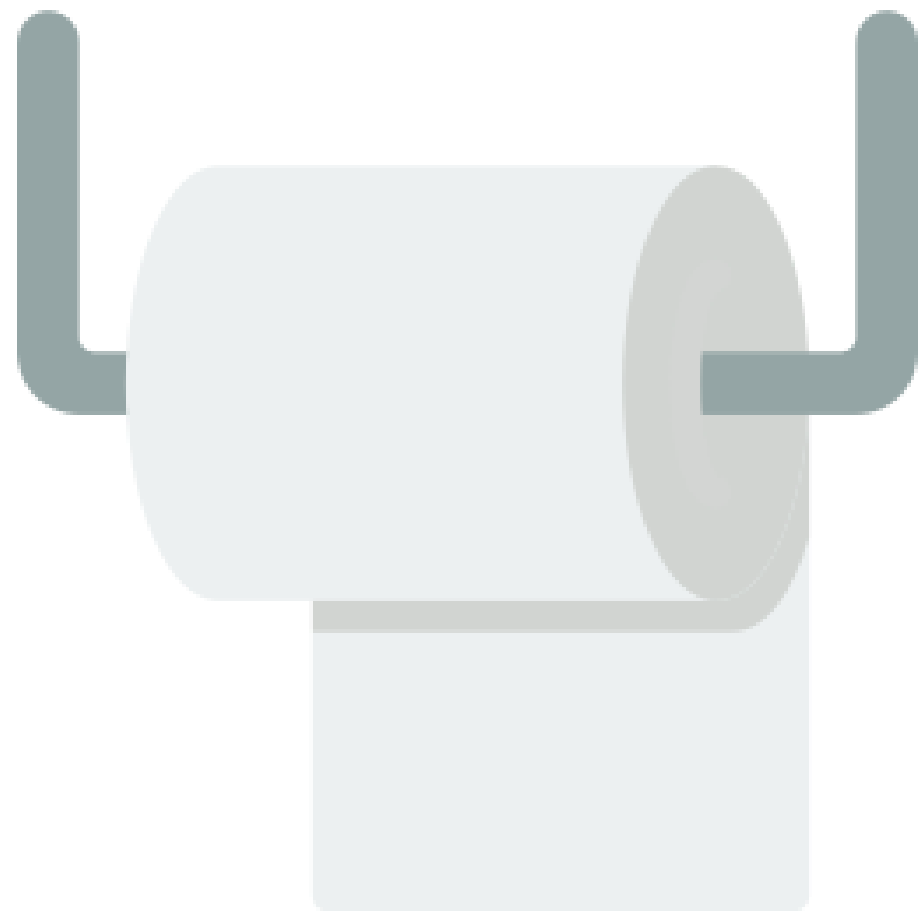

Multiple alarm clocks or just one?

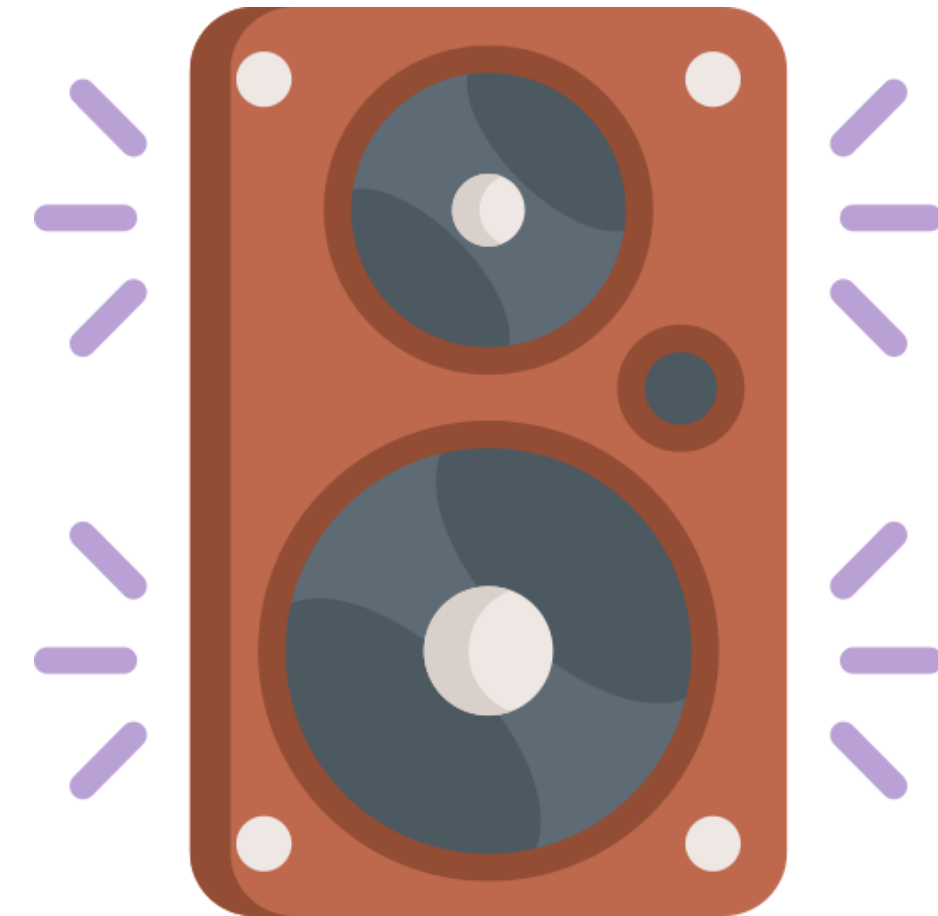

Are you a beach or a swimming pool person?

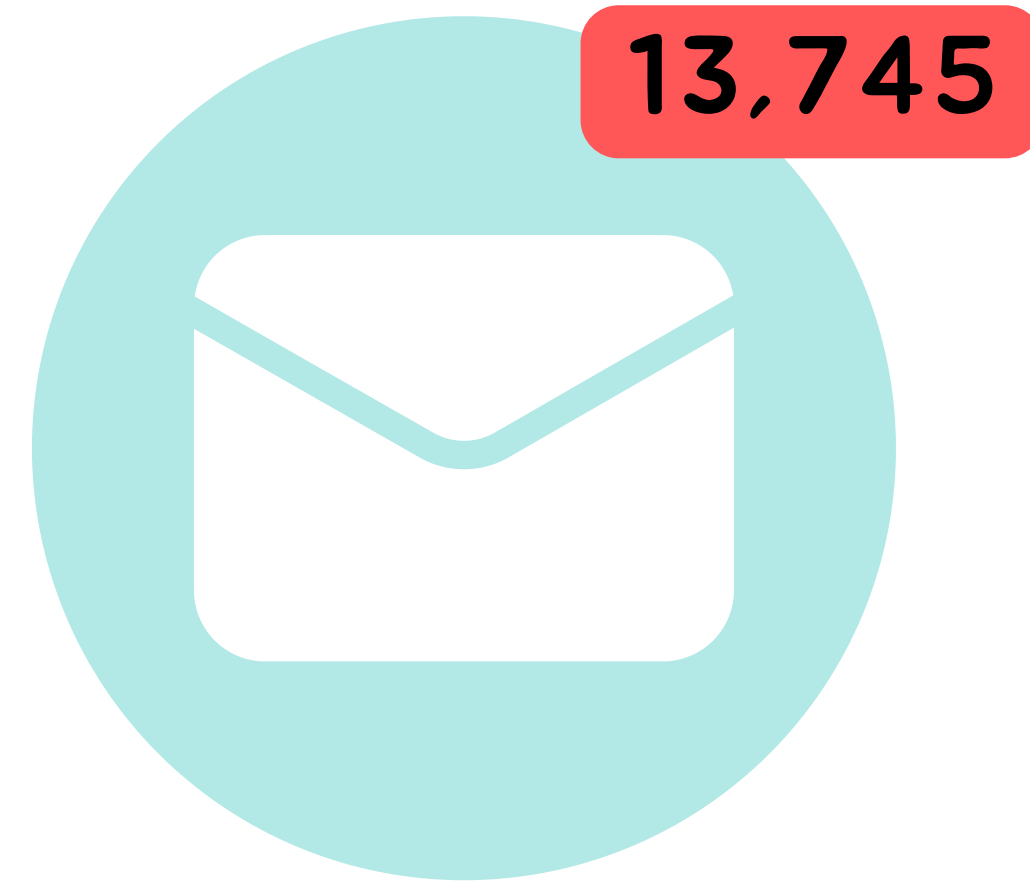

Are you an early bird or a night owl?

Is toilet paper meant to be under or over?

Do you prefer headphones or speakers?

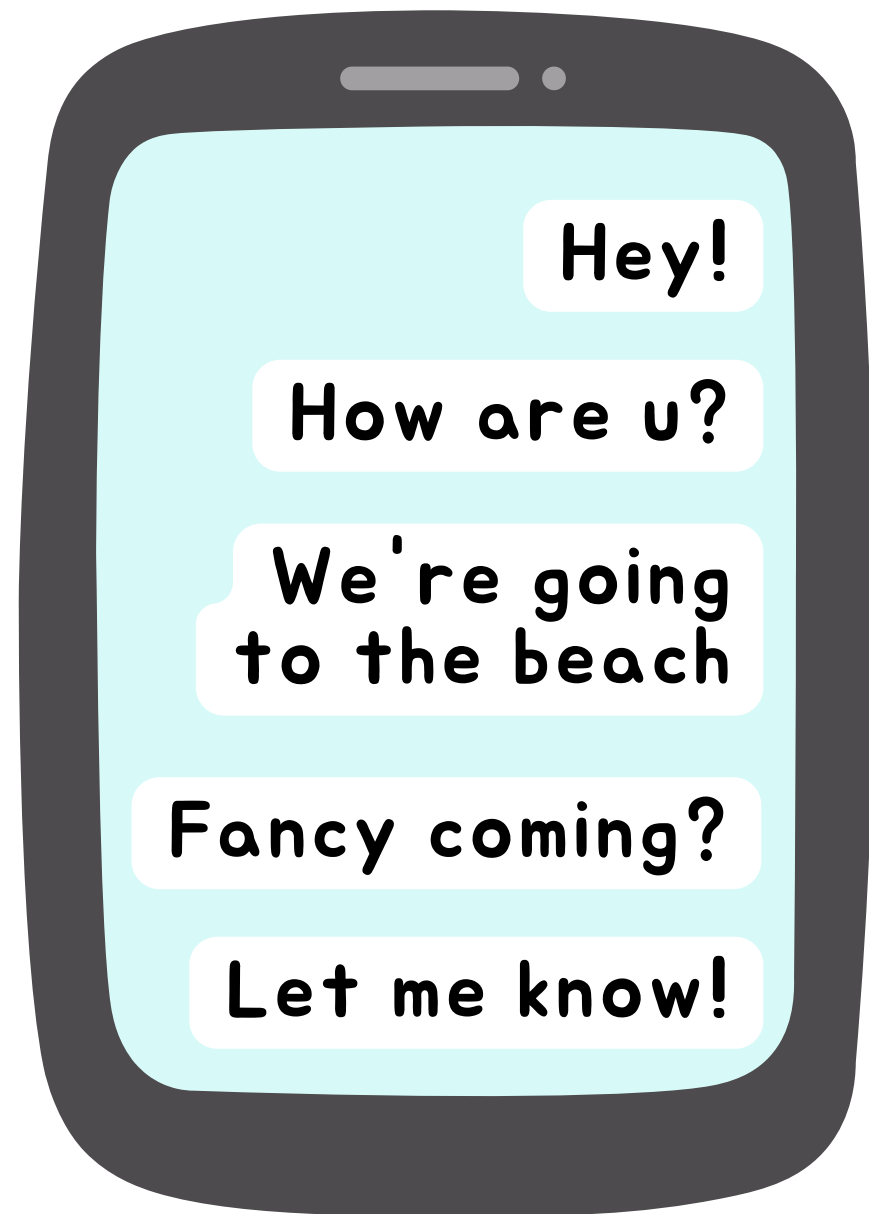

Is your inbox empty or are you an email hoarder?

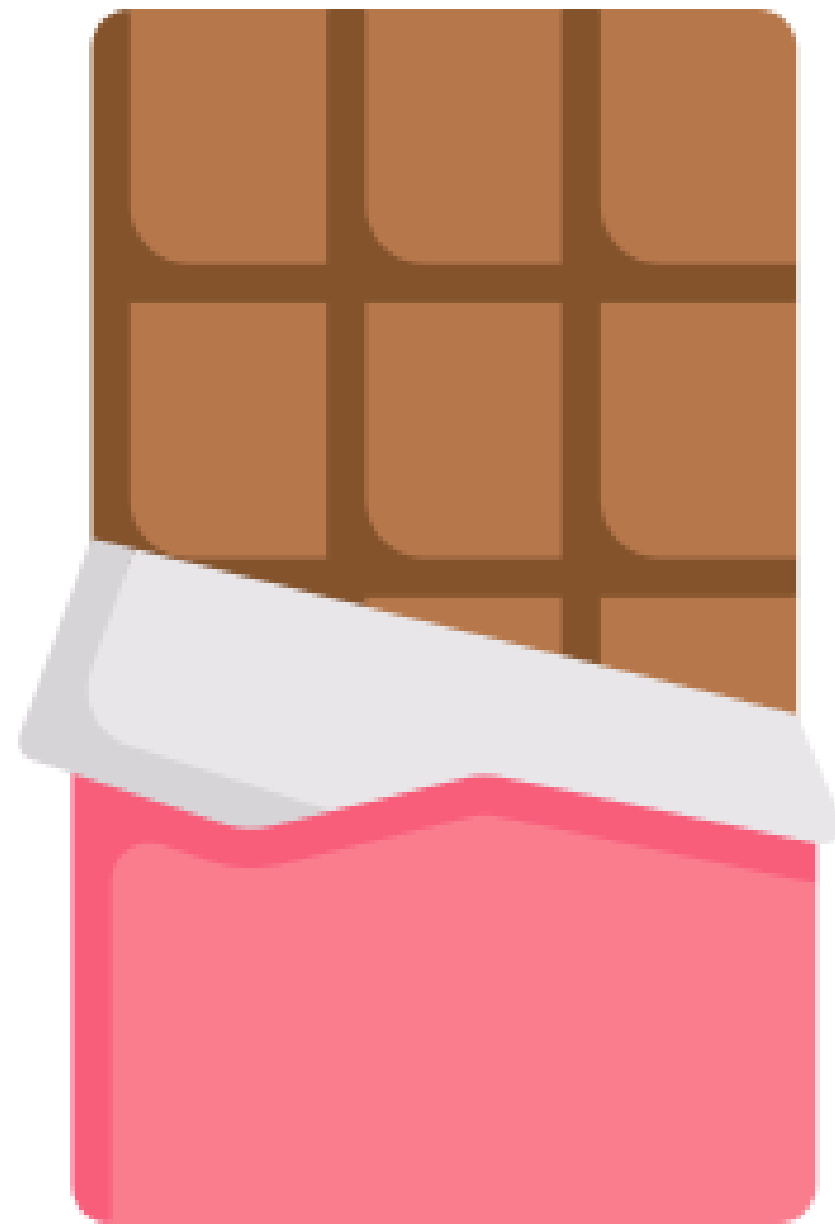

Are you cat or a dog person?

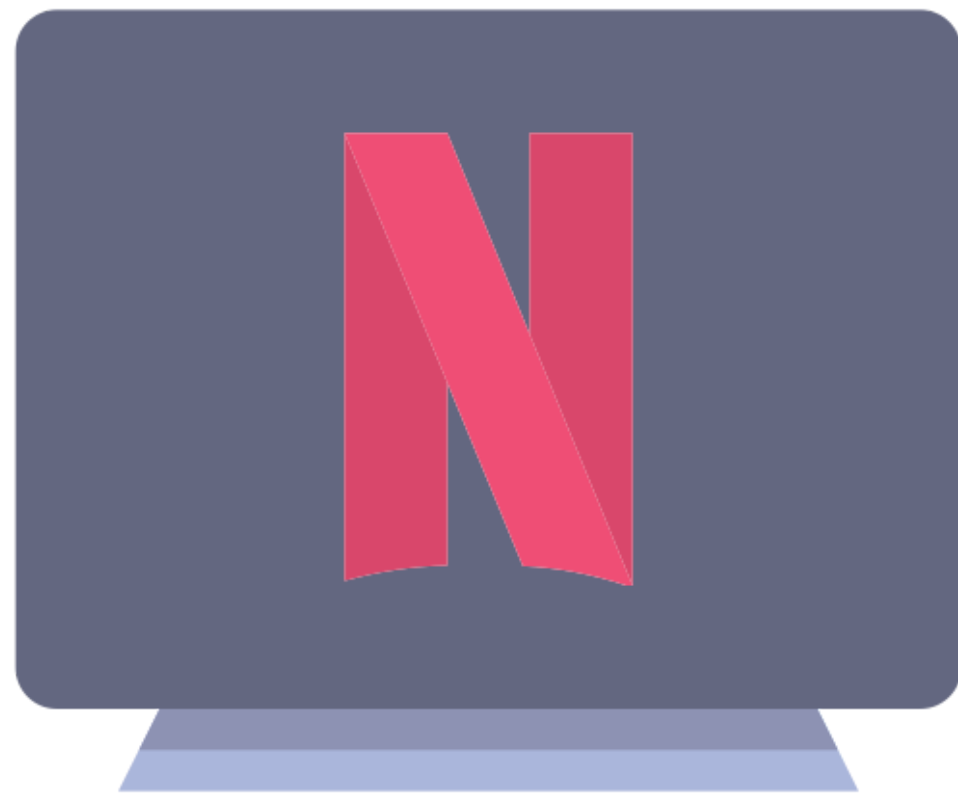

Do you have a sweet or savoury tooth?

Multiple Whatsapp messages or just one?

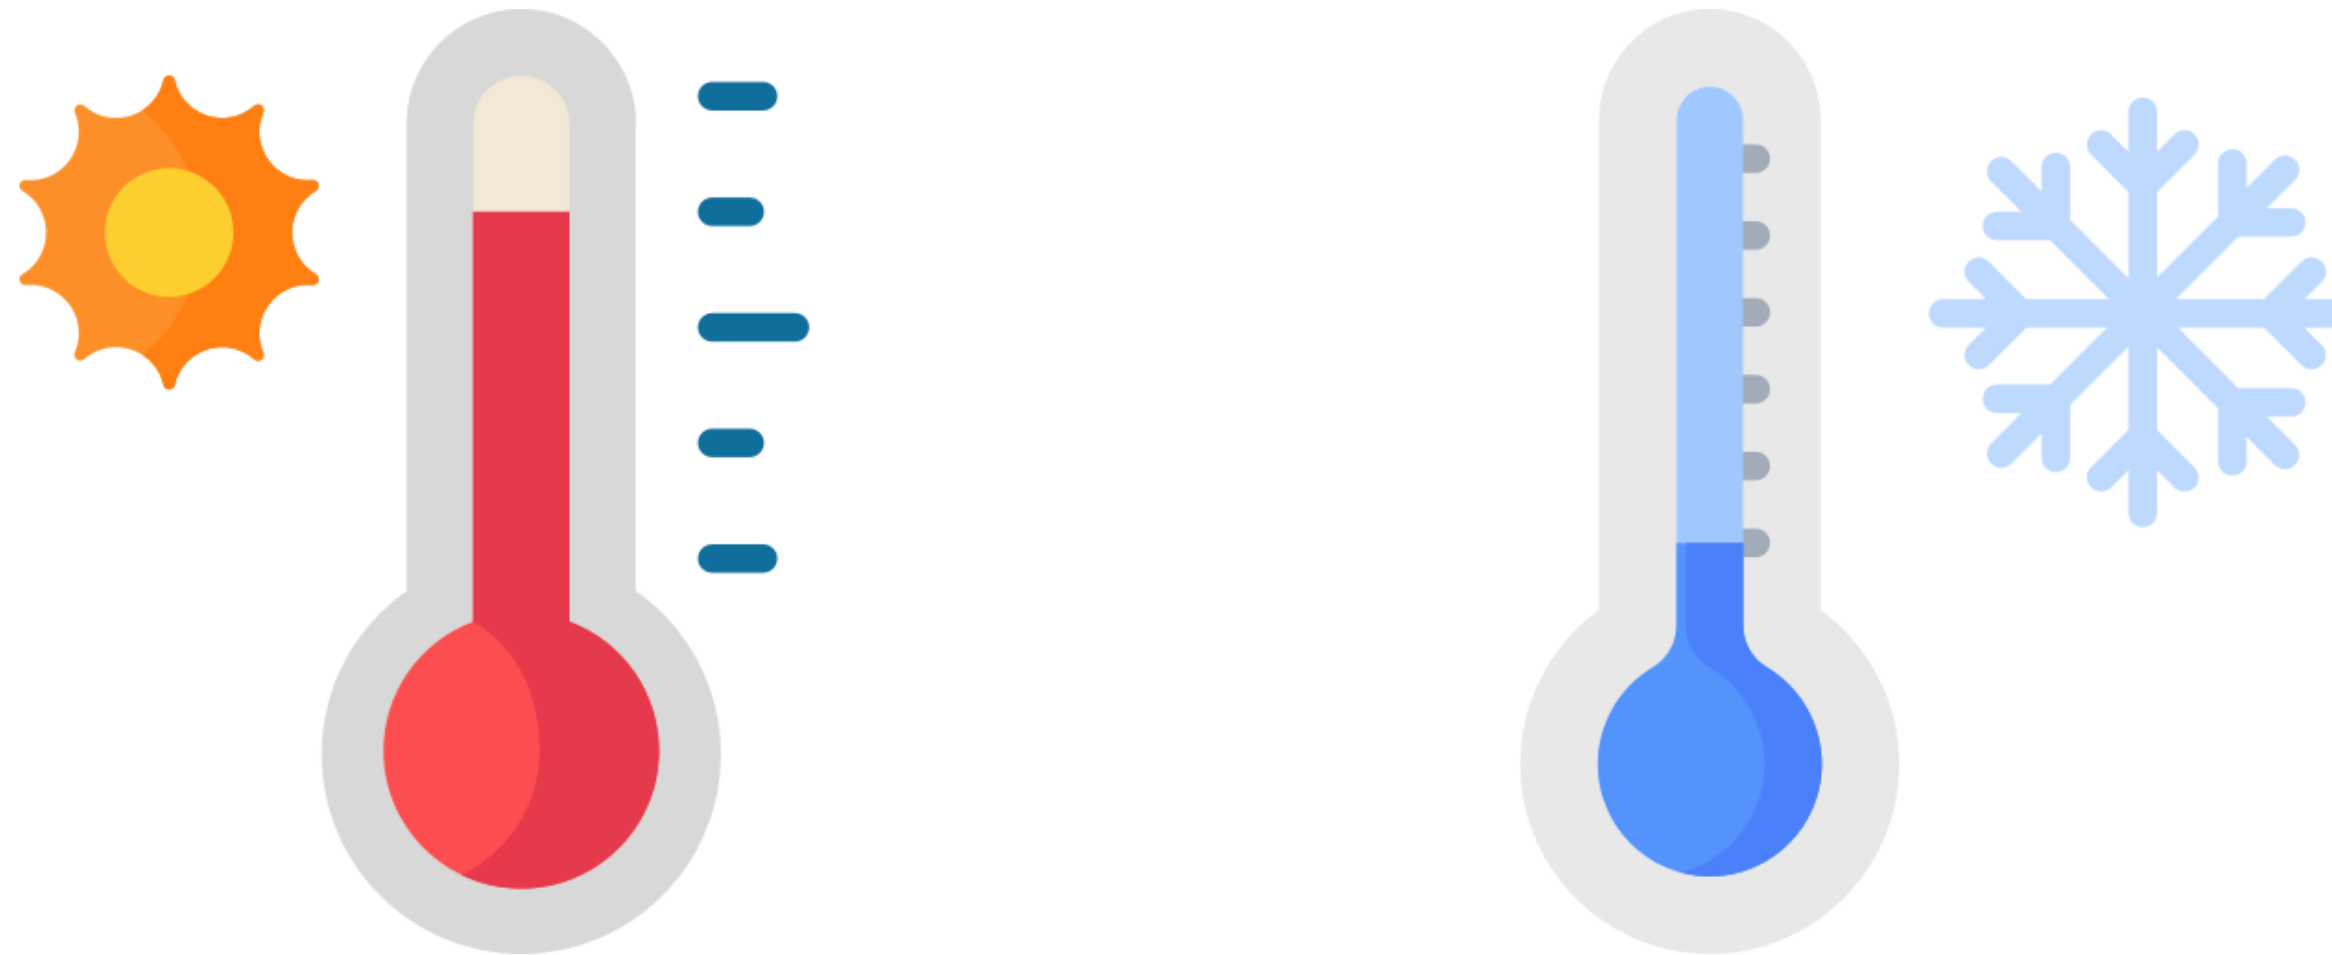

Do you break chocolate or bite the whole thing?

Would you rather watch TV series or movies?

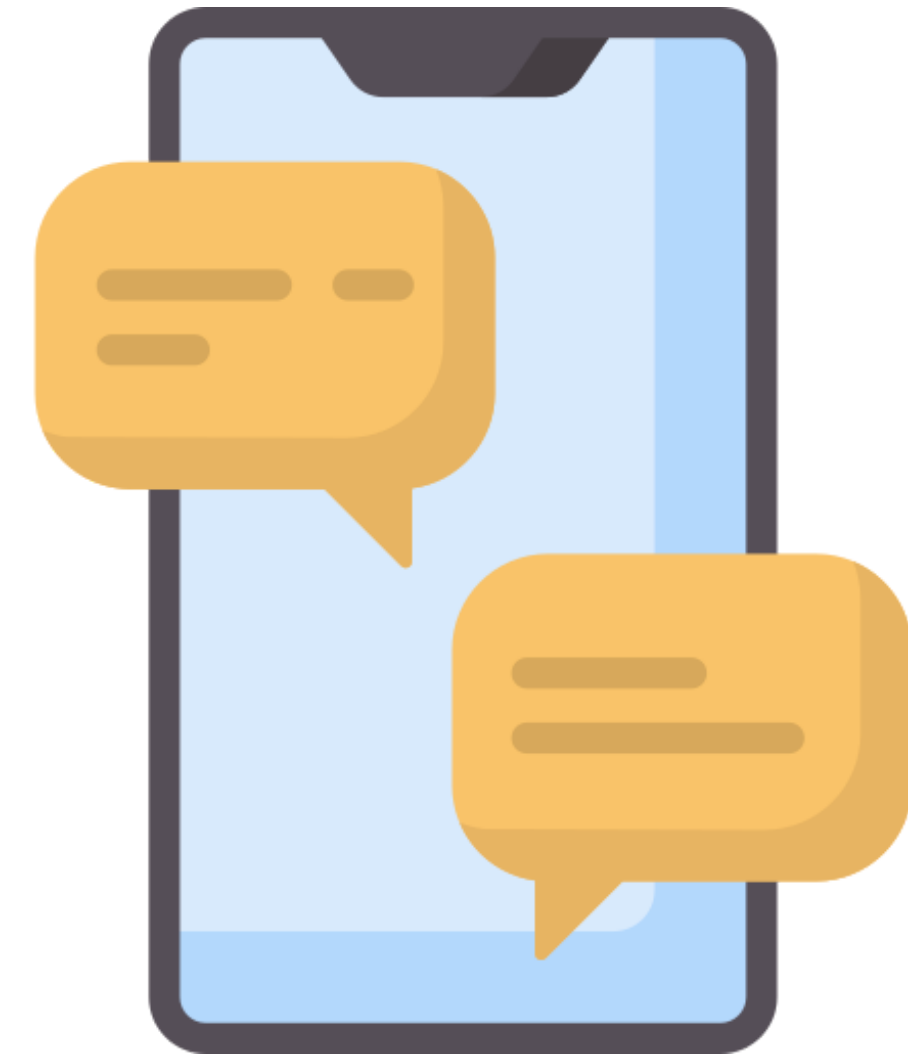

Do you eat pizza crust or leave it on the plate?

Would you rather be too hot or too cold?

Voice messages...

Or texts?

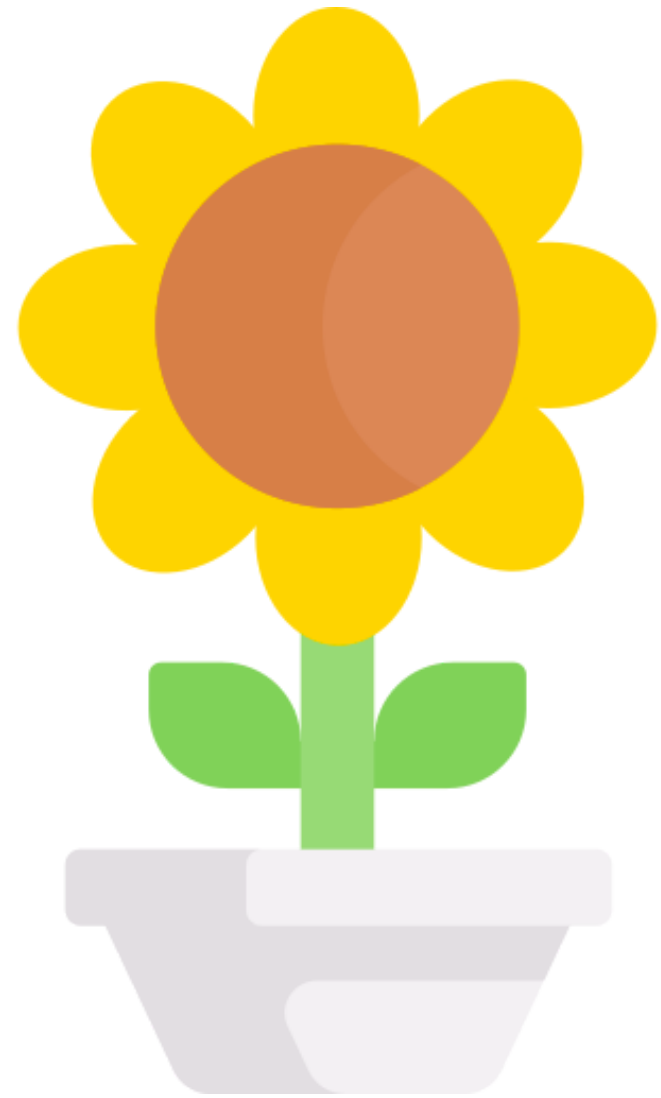

Are you a tea or a coffee person?

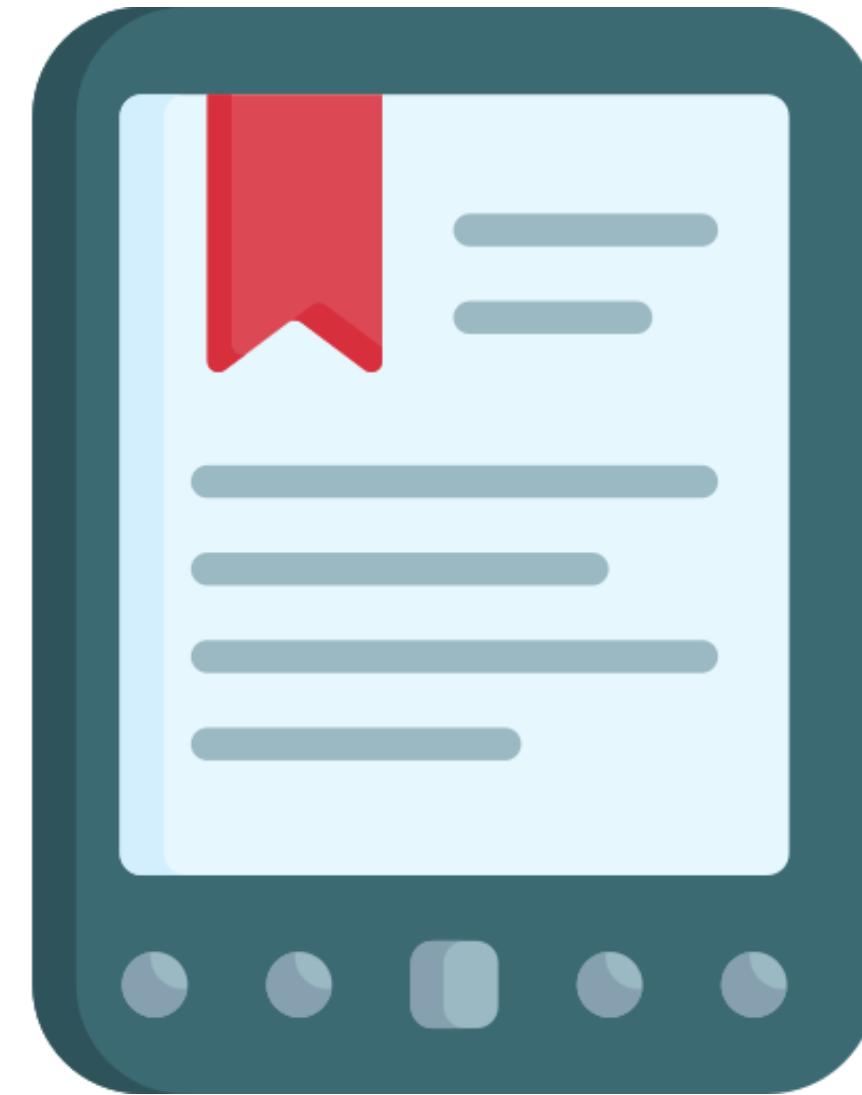

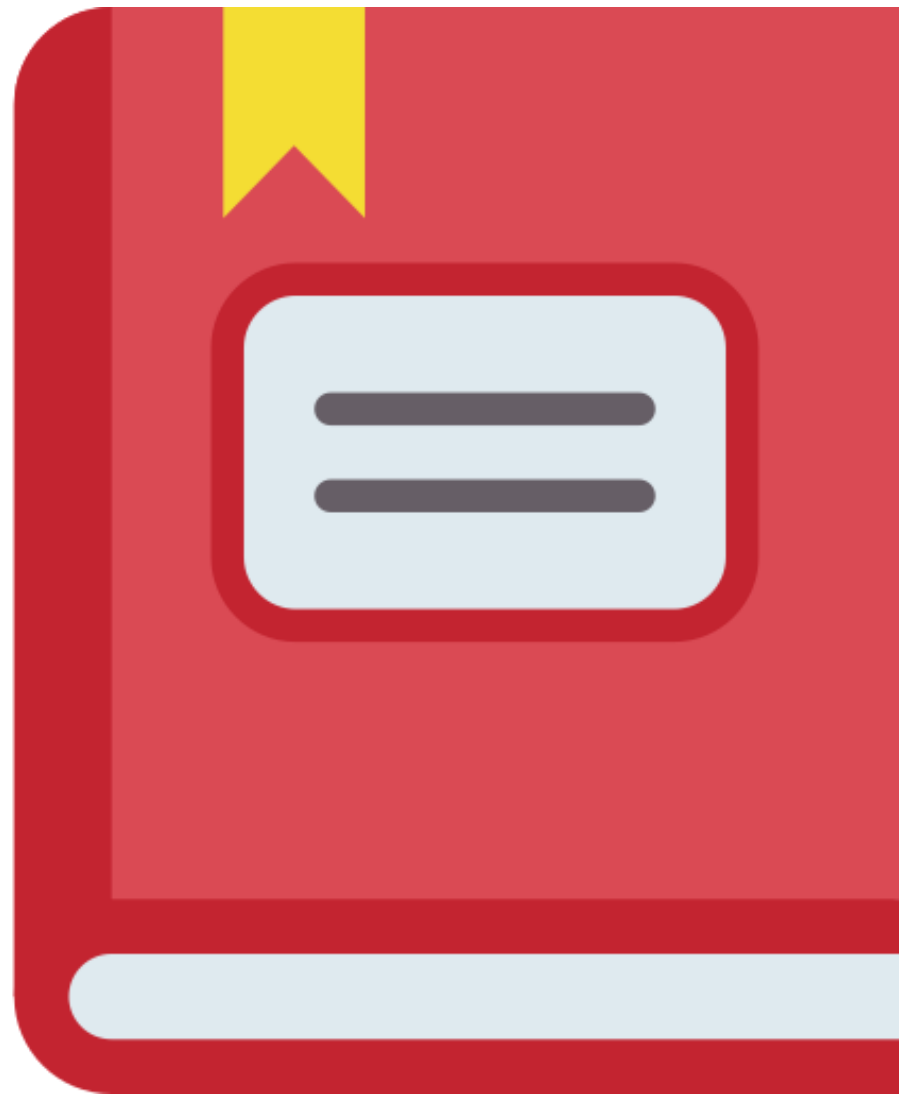

Would you rather cook dinner or do the washing-up?

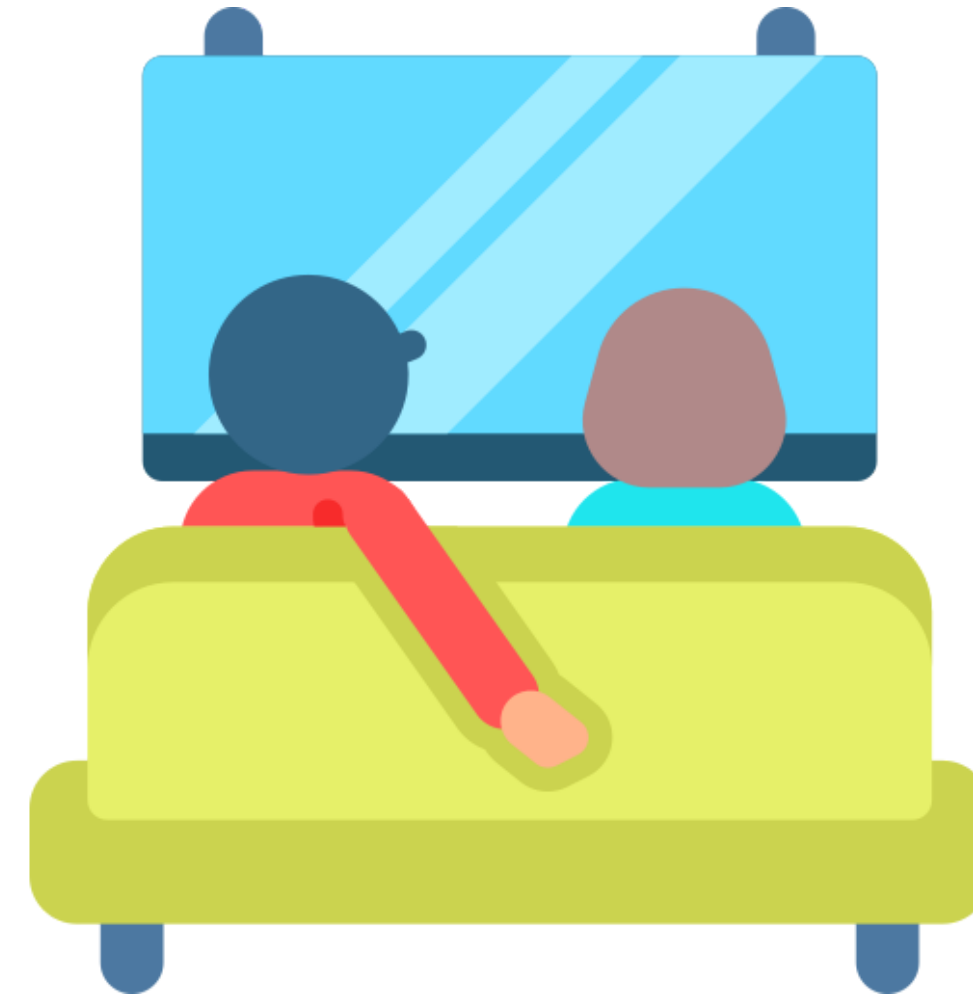

12-hour or 24-hour clock system?

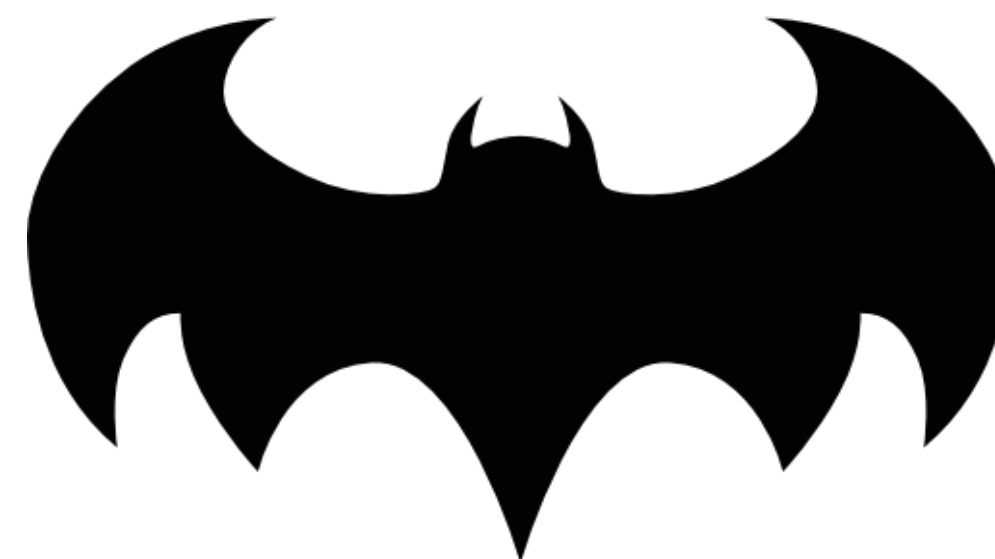

Have you got green fingers or do you kill your plants?

Are books better than e-readers?

Going to the cinema or watching movies at home?

Which is better: Marvel or DC?

Would you rather have chips or crisps?

Are you a beach or a mountain person?
